JULY BIRTHDAYS & ANNIVERSARIES - OOPS!

I apologize to all of you with July birthdays and anniversaries.

I got all the cards together and finished a little earlier than usual and I got so excited about not sending them out late that I sent them out too early! So I apologize if your July Birthday card came in June. Hey, I guess it's better than coming in August!

Dear Friends in Christ,

Moving is a huge undertaking. After you find a new home, sign and date the pile of mortgage paperwork, then the fun begins! You have to decide what you want to take with you (and give or throw away everything you are just not taking with you) pack it all in boxes and label the boxes (I discovered it is very important to carefully label every box). Then the boxes and furniture (that may need to be disassembled) needs to be loaded into a truck and driven to your new home. The boxes and furniture (which may need to be reassembled) needs to be unloaded and hopefully placed in the room where they will be unpacked. Doing this twice in nine months is just crazy! Does anyone enjoy moving?

I am excited to be able to purchase a new house in Jeffersonville, IN. I am also grateful for the many people who helped me move into my new home. Thank you to the Consistory for renting the U-Haul truck. Thank you to Anne Stites and Susan Freepartner for providing pizza, chips and drinks for us when we arrived at the new house. Thank you to Sarah, Aaron and Emmeline for picking up and returning the rental truck. Thank you to Kirby, Joni, Cynthia, Jim, Matthew, Steven, Terry, Sarah, Aaron and Emmeline for your hard work in loading the trucks and cars at the apartment and unloading the trucks and cars at the new house. It only took us three hours to make the move!

It feels wonderful to be settled in my new home in Indiana and to be serving a congregation full of loving and faithful people. I am blessed and looking forward to many years of ministry together (I am not moving again until I retire)!

Blessings on the journey,

Pastor Monica

CHURCH WORLD SERVICE HYGIENE KITS

Of the 40 kits we have to fill, only 25 kits have been returned so far. If you have kits to be filled, please finish and return to church as soon as you can. Pastor Monica will deliver them to a church in Evansville for distribution.

SPECIAL MUSIC! WE NEED SINGERS!

If you would like to sing or play an instrument for the Special Music time this summer, talk to Dawn and set up a date. All dates in July and August are open for you to consider.
