Dear Friends in Christ,

I was blessed to attend the Indiana Kentucky Conference's Annual Gathering last weekend at Frieden's UCC in Indianapolis. The theme was "Building the Neighborhood." We expanded on this theme through worship, workshops, front porch conversations, plenary sessions and fellowship time. I led a workshop called "Exploring Church Growth in Smaller Congregations" which was attended by 40 people. The worship services focused on what it means to build the neighborhood and be in relationship our neighbors.

In his *State of the Conference* address, Conference Minister Rev. Chad Abbott and Board of Directors President Jill Olinger began with the concept of "knowing your why." We watched a video clip of comedian Michael Jr. who explored this concept. Our discussion focused on the idea that when we know why we are the church we can then walk with purpose as we follow Jesus Christ. Then Rev. Abbott discussed three challenges facing our conference. First, there is a hunger for church vitality in our conference. We need to find ways to feed this hunger. The second challenge is to fully and faithfully serve the needs of the conference with our current staff of one full-time Conference Minister, one full-time office administrator, two part-time Associate Conference Ministers and two additional part-time staff for communications and data entry. Third, many of our congregations are struggling with what it means to be part of the United Church of Christ, especially our conservation and traditional churches. How do we make everyone feel welcome at the table of the UCC. These challenges are providing hope and direction as the conference staff does

ministry in and on behalf of the people and congregations in our conference. I am truly blessed to be part of our conference staff and the exciting ministry we are doing together.

Rev. Abbott also introduced the Leadership Academy of the conference which will seek to provide resources and opportunities for lay leaders and clergy around the topics of Boundary Training, Transitional Ministry Training, networking with our Members-in-Discernment, exploring faith and spiritual practices, church administration and preaching. I am excited by the development of the Leadership Academy, the best practices and resources it will allow us to share and the direction it gives our ministry together as a conference.

We also approved a new Constitution and By-laws for the conference and the financial report. In addition, the delegates filled over 300 hygiene kits for Days for Girls that will be sent to Kenya for distribution.

Thank you to Nancy Shannon for attending the Annual Gathering as our delegate.

Blessings on the journey,
Pastor Monica

DONATIONS NEEDED FOR UCC PICNIC ON JUNE 30

We are looking for prizes for adults and children to be given out to bingo winners at the UCC Picnic on June 30th.

For kids, small toys and trinkets would be great. For adults, anything you might like to receive as a prize would probably work.

If you don't have donations, ideas would be great too!

STRENGTHEN THE CHURCH OFFERING

Sunday, June 9

"... God declares, that I will pour out my Spirit upon all flesh, and your sons and your daughters shall prophesy, and your young shall see visions, and your old shall dream dreams. ..."

— Acts 2: 17 (NRSV)

The Strengthen the Church offering supports the expansion of ministry and growth of UCC local congregations. Your support of this offering will help the UCC fulfill its commitment to creating a just world for all by investing in new ministries and practices that meet the emerging needs of local communities.

In 2018, your support:

- ◆ Increased Church vitality by awarding 12 grants totaling \$350,000 through the New and Renewing Spiritual Communities program.
- ◆ Ensured excellence in ministry through the completion of the Habakkuk group and the Manual on Ministry.
- ◆ Worked to alleviate poverty through the Adese Fellowship program for spiritual entrepreneurship.
- ◆ Strengthened your local church through the services provided by the UCC conference.

Please join us in planting the seeds needed to grow and sustain our denomination by making a gift to the Strengthen the Church offering.

Each Pentecost, we celebrate the church as we have known it, the church we are, and the church that we can be, together. We lean on the story of connecting across difference and listen to the languages of hope spoken in the name of God. We are so grateful to be connected with your church in covenant, each of us seeking to build a just world for all, leaning closer to the world that God imagines for our communities. One of the ways our covenant is lived out tangibly is through the Strengthen the Church offering!

WE HAVE CHOSEN TO ACT ON THE BELIEF the Church is most like the Church when it is rooted in the gospel, remembering the worship in the sanctuary and present in the streets, the City Council chambers, the State House and the places of power witnessing to the message of Love and Justice. Your support of our ministry emboldens, empowers and allows us to step out in faith. We are grateful beyond words—both for the money and for the faith and prayers the money represents, without which we would not be able to do our work.

Thanks be to G-d!

— Rev. Dr. Rebecca Voelkel, Center for Sustainable Justice at Lyndale UCC
