Lynnhurst Church Annual Meeting January 26th @ 11:00 AM

Hey Lynnhurst,

Just wanted to say thank you to everyone that sent me a card or was wishing me a Merry Christmas from back home! It's a little different celebrating so far from home so hearing from you was great! Hope everyone's holidays went off without a hitch. With any luck I'll be able to make it home for the next one!

Best Wishes,

2020 Pictorial Directory - LAST DAY FOR PICTURES IS THIS SUNDAY JANUARY 26th!

Pictures will be taken after Church and Sunday School in the parlor on January 19 and 26. No appointment necessary. Terry Conway will take pictures of you or with your family, then provide you with a few to choose from for use in the directory. You will also be given a digital photo file formatted in the picture size you select for printing by you if desired. You can dress as fancy as you want, or as casual as you want. The background is a textured light gray and you might want to think about wearing something that will complement the background. You can check it out in the parlor now to give you a better idea of what it looks like. It is anticipated the directory will be available in the spring. If you have any questions, please call Terry at 375-0616.

Evicted Discussion Group - January 28th @ 9:00 AM

The first group discussion session for "Evicted" will be on the morning of Tuesday, January 28, 9:00 a.m., in the parlor. Please read and be prepared to discuss the first eight chapters, comprising the entire Part One.

Consider this situation: "Injured in an assault, TK had fallen behind on rent – both because she couldn't work while hospitalized and because of the resulting hospital bills. She was now back to working two jobs, earning enough to keep up with current rent but not enough to catch up on payments she had missed."

Matthew Desmond, the author of "Evicted," spoke before the UCC General Synod last June, and his message resonated with a UCC congregation in Indianapolis, which was confronted by this situation. That congregation's response saved "TK" from being evicted. The Indiana-Kentucky Conference has been encouraged to study this book, and I've been asked to head up a discussion group concerning it.

For our first session this coming Tuesday, Jan. 28, 9:00 AM, let's think about these concerns in Part One:

1. What motivates landlords to rent substandard housing?
2. How do neighborhoods keep the peace without police involvement?
3. What is wrong with the eviction process portrayed in Part One? What is good about it? Evictions in Kentucky are called forcible detainers.

We have at least one extra copy of the book if you'd like to jump in. Looking forward to starting this on Tuesday. - Kirby
